Due to the nature of the circuit, some restrictions are enforced in the interest of safety and the long term viability of the event. For this reason please note that tyre burn-outs and wheelies are not allowed. The event stewards are aware of the difference between loss of front tyre contact with the track due to acceleration and intentionally "pulling a wheelie". The event is run under current MNZ rules and supplementary regulations put in place for the event. One event licences cannot be used at a street road race and are not available through MNZ.

At the organizers and committee discretion, 10 competitors per class will be required for that class to run. A maximum of 35 will be permitted per race. The organizers reserve the right to refuse entry to machines which they consider to be unsuitable for competition.
